

# UNITED WAY DISTRIBUTION SERVICES

*“Things that most people take for granted can change the lives of others.”*

## What is the United Way Distribution Services Program?

UWDS is a unique program that allows businesses to donate new or good quality used items such as furniture, computer equipment, office supplies, etc. to benefit nonprofit agencies that are in need of important supplies.

### FOR NONPROFITS

**UWDS is a fantastic way for nonprofits to purchase new or gently used items for significantly less than what they would normally pay. You'll find high quality chairs, shelves, computer supplies and much more!**

**Most items are priced at about 15% of the fair market value.** The annual membership fee for an agency referred by UWGNB is \$100.

**We deliver!** A UWDS member may choose to have their order delivered for a transportation fee of \$1.00 per mile, calculated by distance roundtrip from the main distribution center in Westborough, MA.

### FOR COMPANIES

**UWDS provides local businesses with a free and easy way to repurpose new and gently used furniture, office supplies, or computer equipment that needs to be replaced or retired.**

As long as it's working and can be used by one of our nonprofit community partners, we will arrange for pick-up - or you can have your donation delivered right to our warehouse. We will also provide you with the proper tax deduction documentation.

**This is a unique opportunity to get rid of unwanted office items while helping nonprofits that are in need of important supplies!**

## EXAMPLES OF AVAILABLE ITEMS:

Office furniture  
Hardware (such as tools, screws, hinges, etc.)  
Home goods (blankets, dishes, utensils, tablecloths, etc.)

Cleaning supplies  
Office supplies (pens, staplers, files, paper, etc.)  
Toner cartridges

*...and MUCH MORE!*
